Call for papers: Special Issue: Citizens of nowhere? Migration, Research and Innovation

Two members of the TKC project, Stefano Breschi and Francesco Lissoni, are guest co-editors of a Special Issue to be published in Research Policy, “Citizens of nowhere? Migration, Research and Innovation”.

This special issue welcomes theoretical, empirical and methodological studies that can cast light on the careers and networks of STEM migrants (those with degrees or jobs in Science, Technology, Engineering & Mathematics) and the impact of STEM migration on scientific research and innovation activities in destination and/or origin countries. Please see the submission platform for more details at <https://www.eventsforce.net/uob/10/home>.

- **Submission deadline: 30 September 2018**
- Expected publication: late 2019 or early 2020

Guest editors: Stefano Breschi – ICRiOS, Bocconi University – Milan (Italy), Cornelia Lawson, University of Bath (UK), Francesco Lissoni – GREThA, Université de Bordeaux (France), Andrea Morrison, Utrecht University (Netherlands), and Ammon Salter, University of Bath (UK)

Lead editor: Elisa Giuliani, University of Pisa (Italy)
